

RICHIE THE JAM MAN

THE COMPLETE PACKAGE

BIOGRAPHY

RICHIE the JAM-MAN is one of the most prolific and versatile piano playing entertainers that you will ever see grace the stage in Australia. His charismatic presence and humorous personality, adds up to an unforgettable evening of enjoyable entertainment. A multitasking musician, Richies versatile voice and infectious sense of humour has given pleasure to audiences all over the Australia and New Zealand.

A nostalgic trip into the past is the journey you embark upon and Richie is your tour director. Tributes to icons in show business are His forte with performers such as, Roy Orbison, Neil Diamond, Frank Sinatra and Elvis Presley all being honoured. It also goes without saying that the great piano entertainers of our time such as Billy Joel and Elton John, along with songs from much loved bands such as The Beatles, Clearance Clear Water Revival, The Monkees, the Eagles, The Blues Brothers and The Rolling Stones.

Variety is the all important ingredient and it is no secret that Richies favourite style of music comes from the material of Stevie Wonder, George Benson, Al Jarreau, Grover Washington Jr., James Ingram, Steely Dan, The Commodores and Earth Wind And Fire. Jazz is another musical form that Richie finds personally satisfying, from old time swing thru to modern. He promises to have you laughing, crying, dancing, and contemplating through his interpretation of some of the best written songs of all time.

His natural ability to evoke audience participation is unique and an essential part of the performance. All this, along with a professional attitude and dedication to musical integrity, makes this a night you'll not forget in a hurry.
